

Getting Ready for Doublings
Play and Write Practice

The page contains ten horizontal musical staves. The first five staves are filled with musical notation in a 2/4 time signature. Each staff begins with a treble clef. The notation consists of a sequence of eighth notes, with the first note of each measure being beamed to the next note. The notes are placed on the second, third, and fourth lines of the staff. The first five staves each contain four measures of music. The remaining five staves are empty, providing space for the student to practice writing the same sequence of notes.
